A large, cratered moon dominates the center of the frame, set against a deep blue and black cosmic background. Numerous bright, vibrant streaks of light in shades of blue, purple, and green radiate across the scene, creating a sense of dynamic energy and futuristic technology. The moon's surface is detailed with various craters and lunar maria.

The background is a dark, deep blue space filled with numerous small, white and light blue stars of varying sizes. Diagonal streaks of light in shades of green, teal, and blue sweep across the frame from the top-left and bottom-right corners, creating a sense of motion and depth. The text is centered in the middle of the image.
